

The Kentucky Diabetes Camp for Children, Inc. Presents

# THE CABIN FUNDRAISER

BENEFITING

CAMP HENDON

## HOW IT WORKS

This fundraiser can be used in a variety of businesses in your community. We suggest high foot traffic businesses such as a pharmacies, fast food restaurants, doctor's offices, hardware stores, convenience stores, etc.

Flyers (attached) or signs advertising the fundraiser are posted on the outside window of the business and throughout the store, especially at any check out station or cash register.

Cabin Fundraiser Goal: \$550 minimum to help send 1 child to camp

Customers purchase a cabin village (attached) for \$1.00 and the village is taped to the wall of the business with the donor's name (optional) printed on the village.

A person in the business should be designated to take charge of the money that is donated.

Staff should be trained to ask their customers for donations. A simple question works, "Would you like to donate a dollar to help send a child with diabetes to camp?"

## **Help send a child with Type 1 diabetes to camp!**

*The mission of Camp Hendon is to give children with diabetes a life changing experience that empowers them to take control of their journey with diabetes.*

Camp Hendon has served over 100 children with diabetes every year since 1965. 50% of our campers cannot afford the camper fee of \$550 and need your help!

**Donate \$1.00 for a village of cabins and get your name displayed as a sponsor.  
Donate \$5.00 and get 6 villages of cabins displayed!**
