

The Kentucky Diabetes Camp for Children, Inc. Presents

**RESTAURANT**

**FUNDRAISING NIGHTS**

**BENEFITING**

**CAMP HENDON**

Restaurant fundraisers are some of the easiest ways to fundraise that require the least amount of effort. You will need to contact the restaurant and location you would like to hold your fundraising event. Each restaurant and location handles fundraisers differently. Some offer 10% of their sales, and others as much as 50%. Most restaurants require your guest to show a flyer at the time of service in order for Camp Hendon to receive a donation. The restaurant should supply you with a flyer to distribute, and we can post it on Camp Hendon's website, as well as promoting it on social media. Be sure to ask if you can display a donation jar during the event as well! We can provide this, if needed. Camp Hendon will arrange for a staff member to attend your event to provide brochures and answer any questions about the Kentucky Diabetes Camp for Children, Inc.

The list below includes restaurants that are known to host fundraiser nights. Feel free to find others in your area, as well!

- **BEEF 'O' BRADY'S**
